NOTE: The Voits have lived in this area for many years and are well known throughout the community. Don has enjoyed using and collecting firearms as well as being an avid hunter and outdoorsman since he was a small boy. Don is also known as a fabricator making countless attachments to existing equipment as well as manufacturing many unique new items for customers, friends and neighbors throughout Central Minnesota. After seeing his shop and expertise in many fields, I don't think there is anything he couldn't repair or make better. Please note that we will begin with miscellaneous items at 10:30, followed by firearms at approximately 12:00 noon, followed by any unsold items, so please plan on prompt attendance. We may get to tractors and other major items before noon so please plan accordingly. Firearms are stored off-site and will be available for inspection auction day only.
