### 80 Head of Very Good Registered, 80 Official DHIA Holsteins Sell Under Cover

**NOTE:** This a very good herd of young, extremely well uddered Registered Holsteins. This herd has been on official DHIA testing for many years with current records indicating a herd average of 2X 20,300 milk, 3.9% 791 fat and 3.2% 650 protein, 70 pound tank average, SCC averages 240,000. Cows are milked in a tie-stall facility and let out daily ensuring very good feet, legs and overall mobility. The herd is fed a very basic ration and never has been pushed, leaving great potential for increased production. The cows are timed perfectly for potential buyers with several just fresh or due soon after sale time. The herd is classified on a 7 month interval with a 105.7 BAA. Includes 2 excellent and a multitude of fancy VG cows with several 85 and 86 pt. 2 and 3 year olds. Herd includes 8 polled individuals from babies through mature females. Exclusively artificially bred for over 30 years receiving the Progressive Genetics Herd Award 7 consecutive years. Leading sires and service sires include, but not limited to: Jedi, Excalibur, Doppler, Yoder, Gold Chip, Rager Red, Doorman, Addiction, Monterey, Redburst and Warrior. Good herd health program. Along with a great set of young mature females, we offer a select group of bred and open heifers sired by iconic sires and out of top Welu dams. If you are in need of hard to find, home-raised, farm fresh herd additions, please mark this date on your calendar and make plans now to attend the Welu complete dispersion.
